

# You're Invited to Participate in a Research Study

## STUDY OBJECTIVE

This study aims to learn what promotes and discourages use of healthy cybersecurity behaviors, how cybersecurity topics like user authentication are perceived and applied, and what factors shape perceptions about cybersecurity and computing.

to learn more in a 20-minute virtual meeting.

## ELIGIBILITY CRITERIA

You qualify if you're at least 18 years old and identify as Black/African American, Hispanic/Latino, American Indian/Alaska Native, and/or Native Hawaiian/Other Pacific Islander.

Qualifying USF faculty and students are welcome to participate.

## WHAT YOU'LL DO

Participate in one in-person (on or near the USF Tampa campus) or virtual 90-minute focus group. Prior to the focus group, complete a 10-minute online demographic/screening survey. You will be compensated \$20 as an e-gift card.
